

Report to Okehampton Hamlets Parish Council – 5<sup>th</sup> October 2021

**Waste & Recycling Advisor**

During October, a waste and recycling advisor will be out in West Devon engaging with residents on all things recycling. This is a resource that is available to WDBC once a year through a county wide contract.

The advisor will be encouraging residents to recycle more as well as helping highlight items that residents may be putting in their black sacks that can be recycled. To help ensure WDBC make best use of this valuable resource, if councillors are aware of areas within the Hamlets that may not present much recycling or put out a lot of black sacks, please do let me know.
